In order for Fremont Unified School District (FUSD) and City of Fremont (City) to continue holding meetings by teleconferencing pursuant to Government Code Section 54953(e) (AB 361), FUSD needs to reconsider the circumstances of the state of emergency created by the COVID-19 pandemic every 30 days and find that the state of emergency continues to directly impact the ability of the members to meet safely in person.

Background: On September 16, 2021, Governor Newsom signed AB 361 amending the Brown Act to allow local agencies to meet remotely during declared emergencies under certain conditions. AB 361 builds upon Executive Order N-29-20, issued by the Governor on March 17, 2020, which relaxed the teleconferencing requirements of the Brown Act to facilitate virtual meetings during the COVID-19 declared emergency. AB 361 authorizes local agencies to continue meeting remotely without following the Brown Act’s standard teleconferencing provisions, including the requirement that meetings be conducted in physical locations, if the meeting is held during a state of emergency proclaimed by the Governor and either of the following applies: (1) state or local officials have imposed or recommended measures to promote social distancing; or (2) the agency has already determined or is determining whether, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees. To continue meeting remotely pursuant to AB 361, an agency must make periodic findings that: (1) the body has reconsidered the circumstances of the declared emergency; and (2) the emergency impacts the ability of the body’s members to meet safely in person, or state or local officials continue to impose or recommend measures to promote social distancing. These findings should be made not later than 30 days after teleconferencing for the first time pursuant to AB 361, and every 30 days thereafter.

Affirm/Pass this statement : This group has reconsidered the circumstances of the emergency and agrees that the emergency continues to directly impact the ability of the members to meet safely in person so the next meeting will be virtual.
